We have the experience; expertise and track record that make JAI ELECTRICALS AND CONTRACTOR the best company for all your industrial.

Our customers are our top priority, so contact us today to learn more about our services and how we can serve you or your company.

Registered office: Shahapur Washim Akola Road, Shivaji Square, 1st Floor, Mangrulpir, Washim-444505, Maharashtra, India.

SERVICES

1. Solar Roof Solutions

JAI ELECTRICALS AND CONTRACTOR brings in its years of experience in designing and installing solar photovoltaic systems on rooftops. We recognize that open roof spaces on rooftops on buildings have an excellent potential in energy savings every year and the Net Metering policy in some state is in place. We can provide a complete turnkey service to provide a feasibility study, engineering, manage procurement and installation and commission the system to bring it online as quickly and efficiently as possible on BOOT /BOT basis.

We also offer our client custom designed solar systems to suit special requirements of aesthetic decoration or space. Special requirements could be solar canopies on roofs, covered parking spaces, covered walkways, bus shelters etc. Depending on the requirements JAI ELECTRICALS AND CONTRACTOR can design and install both grid tied as well as stand-alone systems.

- Grid Tie/Off Grid (0.10KW to 100KW)
- Grid Ties/Off Grid / Hybrid Solution (0.10KW to 100KW)
- Grid Tie/Off Grid with Battery Backup (0.10KW to 100KW)
- Grid tie/off grid roof top solar power projects (100kW and above)

Registered office: Shahapur Washim Akola Road, Shivaji Square, 1st Floor, Mangrulpir, Washim-444505, Maharashtra, India.

2. Electrical Infrastructure Services (EIS)

Our technocrat team provides turnkey support in electrical infrastructure development in domestic, industrial and power projects. We have an “A” class Electrical License and undertake Electrical Infrastructure project in Industrial sector, Power project sector exclusively in Solar & Wind power project. We also undertake ABT, Telemetry and AMR compliance work for SLDC in turnkey basis for RE Power Projects and Open Access consumer.

JAI ELECTRICALS AND CONTRACTOR have provided services in construction and Erection of 33KV DP Yard, 33/11KV Substation & lines, 132KV S/s Bay & 132KV Substation Civil & Erection Work all type of LT work etc.

3. Power Plant Engineering, Procurement & Construction (EPC)

Our EPC Division is specialized in the setting up of Wind & Solar photo-voltaic (PV) Power Plants on EPC or turnkey basis. It conceives & implements power projects from the initiation to installation and maintenance, using the best available components and cutting edge technical solutions by relying on highly qualified professionals.

Registered office: Shahapur Washim Akola Road, Shivaji Square, 1st Floor, Mangrulpir, Washim-444505, Maharashtra, India.

VISION

Become a leading provider of affordable, innovative & high quality Electrical and solar energy solutions services beneficial to the residential, commercial, institutional and industrial consumers in India. Our goal is to exceed the expectations of every client by offering outstanding products and service at great value to optimize payback to customers for their investments.

MISSION

To provide superior quality and innovative Electrical and solar energy solutions to help consumers overcome the difficulty of getting reliable power at affordable costs. Provide continuous value to customers through excellence in customer service and fast response times.

OUR PROMISE

We promise to provide professional, polite and knowledgeable services and support with competitive pricing that will be beneficial for business prospective. We also make every possible effort not only to use environment friendly products, but to also be an ecologically sensitive company in the process. We strongly believe that Electrical and solar energy solutions can make an important contribution to a cleaner, safer and more sustainable world.
